

Optional Retirement Plan for Higher Education 2016 Open Enrollment Meeting Schedule

Participants in the VRS Optional Retirement Plan for Higher Education (ORPHE) are invited to attend an Open Enrollment meeting to learn about new plan resources and options available to participants. In-person meetings are being held at various higher education institutions across the state and do not require registration. Additionally, VRS is hosting two meetings that participants may attend in-person or via webinar. Registration is required to participate via webinar. See the calendar below for meeting locations and webinar registration.

At each meeting, VRS will provide a brief overview of the ORPHE plan, information resources and investment options, including those that will become available on January 1, 2017. Additionally, a representative of each provider will speak about specific services and investments available to ORPHE participants beginning January 1, 2017.

Institution	Date	Time	Contact/Phone	Location	Room	Session
