Opening Remarks

Mr. Bennett called the meeting to order and welcomed everyone to the November 12, 2025, meeting of the Benefits and Actuarial Committee. Mr. Bennett noted the meeting was being held in accordance with § 2.2-3708.3(B)(3) and § 2.2-3708.3(B)(4) of the *Code of Virginia* and advised that no public comment would be accepted at the meeting. Members of the public who wish to submit comments may email the Board at trustees@varetire.org or by mail at P.O. Box 1200, Richmond, VA 23218.

Next, Mr. Bennett took attendance with the following roll call:

Ms. Hood: Present.

Ms. Pantele: Present.

Mr. Bernert: Present.

Mr. Foster: Present.

Mr. Bennett: Present.

Approval of Minutes

Upon a motion by Ms. Pantele, with a second by Mr. Foster, the Committee approved the minutes of its October 15, 2025, meeting.

Gabriel, Roeder, Smith & Company (GRS) 2025 Presentation of the Actuarial Valuation Results for Political Subdivision Retirement Plans, the Virginia Local Disability Program (VLDP), the Local Health Insurance Credit (HIC), and the Line of Duty Act (LODA) Fund

Mr. Bennett introduced Jim Anderson and Becky Stouffer from the VRS plan actuary, Gabriel, Roeder, Smith & Company (GRS), who presented the June 30, 2025, actuarial valuations for the Political Subdivision Retirement Plans, the Virginia Local Disability Program (VLDP), the Local Health Insurance Credit (HIC), and the Line of Duty Act (LODA) Fund. The VRS actuary conducts annual valuations as of the close of the fiscal year (June 30). This year's valuation results will be used for rate-setting for fiscal years 2027 and 2028.

The valuation results incorporated recent changes from the quadrennial experience study that the Board approved during its April meeting. As discussed at that time, the changes in assumptions were expected to have only minor impacts on the developed employer contribution rates. In addition to assumption changes, the actual experience from the past year included higher than expected increases in salaries and cost-of-living adjustments (COLAs), which create actuarial losses. However, the investment return for the fund of 9.9% exceeded the long-term assumed rate of return of 6.75% for fiscal year 2025. The investment gains associated with the higher-than-expected investment return overshadowed the experience study changes and higher salaries and COLAs resulting in lower contribution rates for most plans and an increase the funded status for most of the political subdivision plans.

Key points from the political subdivision retirement plans, local HIC and VLDP presentation include:

Pensions:

- Average funded status for the pension plans increased by 92% from last year's 89%. Of the 602 local employers, 275 had a funded status more than 100%.
- The average contribution rate for pension plans continued to trend lower dropping from 12.25% in the last rate-setting valuation to 10.46%.

OPEBs

- The funded status for HIC plans increased for political subdivisions in aggregate. The state-funded HIC plans for Constitutional Officers, Social Services employees, and Registrars all had increases in funded status. This is due both to higher-than-expected investment returns as well as additional contributions from maintaining the higher employer rates from the prior biennium.
- Contribution rates for the state-funded HIC plans saw decreases while the employer rates for 136 of the 236 political subdivision plans remained unchanged from the prior rate-setting due to funding policy provisions which maintain rates until plans reach a funded status of at least 75%.
- VLDP funded status decreased slightly for the Teachers plan as a result of assumption changes, while VLDP funded status for political subdivision plans trended higher. Each of the VLDP plans saw small increases in the employer rates due to assumption changes from the recent experience study.

Next, Ms. Stouffer provided the results for the Line of Duty Act (LODA) Fund.

Key points from the presentation include:

- The LODA plan is a pay-as-go plan that must collect the required funds to pay benefits expected to be incurred over the coming year.
- The LODA plan premium per full-time equivalent is expected to increase from \$1,015 to \$1,385.
- Increases in the premium rate were due in part to the following:
 - Higher than expected increases in healthcare premiums.
 - Increases in the healthcare trend rates.
 - Changes in the premium weighting from the recent experience study for some covered groups to better reflect observed experience.
- LODA fund premiums are inherently expected to increase each rate setting as the primary benefit is health insurance coverage which is expected to increase each year along with an increase in the number of members under claim.

Following some discussion and upon a motion by Ms. Hood, with a second by Mr. Foster, the Committee recommended approval of the following action to the full Board of Trustees:

RBA: Approve contribution rates for Political Subdivision Retirement Plans; the Health Insurance Credit for political subdivisions, the State-Funded HIC for Constitutional Officers, Social Services Employees, and Registrars; the Virginia Local Disability Program; and the Line of Duty Act Fund, effective for FY 2027 and FY 2028.

Request for Board Action: After considering the recommendations of its Plan Actuary, Gabriel, Roeder, Smith & Company, the Board accepts the June 30, 2025, valuation report for political subdivisions and the Health Insurance Credit (HIC) for certain political subdivisions; approves a contribution rate of 0.27% for constitutional officers, a rate of 0.20% for social services employees, and a contribution rate of 0.13% for general registrars; approves a contribution rate of 0.48% for the Virginia Local Disability Program (VLDP), including self-funded Long-Term Care for Teachers and a rate of 0.79% for VLDP, including self-funded Long-Term Care for Political Subdivisions; and approves a full-time equivalent premium rate of \$1,385.00 for the Line of Duty Death and Health Benefits Trust Fund (Fund), for both FY 2027 and FY 2028, to be effective July 1, 2026.

Mr. Bennett thanked Mr. Anderson and Ms. Stouffer for their presentation and advised that GRS would provide an abbreviated presentation to the full Board of Trustees on November 13.

Other Business

Lastly, Mr. Bennett noted the Committee is scheduled to meet next on February 4, 2026. Ms. Bishop advised staff is monitoring the status of the CPI-U data related to the cost-of-living adjustments, and that dependent upon data availability, the meeting date may need to be adjusted.

Adjournment

Upon a motion by Mr. Foster, with a second by Ms. Hood, the Committee agreed to adjourn the meeting.

There being no further business, the meeting concluded at 11:23 a.m.

VRS COLAs

- Per § 51.1-166 of the *Code of Virginia*, VRS post-retirement supplements shall be determined annually by reference to the increase in the United States Average Consumer Price Index for all items, all urban consumers (CPI-U), as published by the Bureau of Labor Statistics of the United States Department of Labor.
- The percentages shall be based on the monthly averages and shall be the difference between (i) the average for the calendar year just ended and (ii) the average for the most recent calendar year used in the determination of the post-retirement supplements currently being paid.

Post-Retirement Supplement (COLA)

Calendar Year	COLA Index U.S. CPI-U	Annual growth rate	VRS COLA			
			Plan 1	Plan 2	Hybrid	Effective
2016	240.007	1.26%	1.26%	1.26%	1.26%	July 2017
2017	245.120	2.13%	2.13%	2.07%	2.07%	July 2018
2018	251.107	2.44%	2.44%	2.22%	2.22%	July 2019
2019	255.657	1.81%	1.81%	1.81%	1.81%	July 2020
2020	258.811	1.23%	1.23%	1.23%	1.23%	July 2021

2025	321.943	2.63%	2.63%	2.32%	2.32%	July 2026

- Plan 1 members receive 100% of the first 3% increase in CPI-U* and 50% of any increase between 3% and 7%, capped at 5%.
- Effective January 1, 2013, the COLA for Plan 2 and Hybrid members is 100% of first 2% increase in CPI-U and 50% of any increase between 2% and 4%, capped at 3%.

* United States Average Consumer Price Index for all items, all urban consumers, as published by the Bureau of Labor Statistics of the United States Department of Labor.

Comparison of Indices

- VRS COLAs are based on the average monthly CPI-U increase which was 2.63%.
- SSI COLA is based on different index and method and is determined in September rather than year end.
- The 2025 VRS COLA for Plan 1 of 2.63% for Plan 1 and 2.32% for Plan 2 & Hybrid are lower higher than the SSI COLA of 2.80%.

VSDP Increase in Creditable Compensation

- Per § 51.1-1112(C), 51.1-1117(B) and 51.1-1128(B), Virginia Sickness and Disability Program (VDSP) creditable compensation is to be increased annually by an amount recommended by the program actuary and approved by the Board.
- VSDP creditable compensation is increased each year based on the combined average increase in the pay rate for State, SPORS and VaLORS VSDP members active at the beginning and the end of the most recent plan year before the date of determination of the COLA.

MEMORANDUM

TO: Patricia S. Bishop, VRS Director

FROM: Jennifer P. Bell Schreck, VRS Internal Audit Director 

DATE: January 29, 2026

RE: Cost of Living Adjustments (COLAs)

Internal Audit has reviewed the amounts referred to as "Cost of Living Adjustments" as set forth in the attached letter and supporting table from VRS' actuary, Gabriel, Roeder, Smith & Company dated January 22, 2026.

In conducting our review, we independently recalculated the "Cost of Living Adjustments" using data and procedures provided by management and the actuary, while confirming certain external components associated with such calculations. We also examined the Code of Virginia sections referred to in the actuary's letter and supporting table.

Based upon our review, we found the "Cost of Living Adjustments" in the above referenced letter and table to be valid and accurate, based on the data provided, subject to the assumptions included therein with respect to increases in the VSDP LTD benefit, VSDP creditable compensation and VLDP creditable compensation, where the amounts are not specified by statute, but instead are to be recommended by the actuary and approved by the Board.

Please let me know if you have any questions. I ask that you share this information with the Benefits and Actuarial Committee.

Re: Cost of Living Adjustments (COLA) Effective July 1, 2026

Dear Mr. Badura:

As requested, we have calculated the annual COLA called for under Virginia Code for the Virginia Retirement System (VRS), the Virginia Sickness and Disability Program (VSDP), the Virginia Local Disability Program (VLDP) and the Group Insurance Program, in particular, the Group Life Insurance (GLI).

The following table summarizes the adjustments recommended effective July 1, 2026. Those denoted in **bold** require action by the Board of Trustees to set the amount of adjustment.

COLA Type/Group	Required by Code	Adjustment Level Set by Board Resolution	July 1, 2026	
			Adjustment	Annual Amount
VRS Plan 1 (Vested as of 1/1/2013)	Yes	N/A	2.63%	N/A
VRS Plan 1 Non-Vested, Plan 2, and Hybrid Plan	Yes	N/A	2.32%	N/A
VSDP Creditable Compensation (for VRS Pension Benefit Determination Purposes)	Yes	Yes	4.00%	N/A

The COLA adjustments were calculated in accordance with the Virginia Code and our understanding of Board of Trustee Policies and Procedures, as adopted February 4, 2011. Refer to the enclosure for additional detail supporting the calculated COLA adjustments.

No CPI-U data was published for October 2025 due to the Federal Government shutdown. The average shown on the following page is the 11-month average, excluding October. This 11-month average was used in the determination of the COLA increases effective July 1, 2026.

Please let us know if you have any questions.

¹ Increase in CPI-U is the ratio, or percentage change, of the current year CPI-U to prior year CPI-U index. By Code, the CPI-U index is defined as the calendar year average of the monthly CPI-U averages.

² The COLA maximum is not explicitly stated in the Request for Board Action (RBA) – 2011-02-04. Based upon a review of the 2022 Cost of Living Adjustments letter, dated January 20, 2022, and confirmation with the VRS staff, GRS understands that a maximum COLA of 4.00% is applicable under the current policies and procedures.

³ Creditable Compensation has been compiled from the data provided by the VRS for the June 30, 2024 and June 30, 2025 actuarial valuations.

**Approval of July 1, 2026, increase relating to VSDP
creditable compensation and VSDP COLA.**

Requested Action

Effective July 1, 2026, the following increases shall apply:

- The creditable compensation used in calculating the member's average final compensation at retirement shall be increased in the amount of 4.00% for a Plan 1, Plan 2, or Hybrid member who has been the recipient of long-term disability (LTD) benefits for at least one calendar year under the Virginia Sickness and Disability Program (VSDP); and
- A cost-of-living adjustment shall be applied to the net LTD benefit payment of 2.63% for Plan 1 members vested prior to January 1, 2013, or 2.32% for Plan 1 members not vested by January 1, 2013, and all Plan 2 and Hybrid members.

Description/Background

Code of Virginia § 51.1-1112(C) provides: "Creditable compensation during periods an employee receives long-term disability benefits shall (i) not include salary increases awarded during the period covered by long-term disability benefits and (ii) be increased annually by an amount recommended by the actuary of the Virginia Sickness and Disability Program and approved by the Board."

Code of Virginia § 51.1-1117(B) provides: "The average final compensation of any participating full-time employee taking a service retirement under any provision of this title shall be equal to his creditable compensation on the date of the commencement of the disability increased by an amount recommended by the program actuary and approved by the Board, from the date of the commencement of the disability to the date of retirement."

Code of Virginia § 51.1-1128(B) provides the same requirement for participating full-time employees receiving supplemental (work-related) disability benefits: "The employee's average final compensation shall be equal to his creditable compensation on the date of the commencement of the disability increased by an amount recommended by the actuary of the Virginia Retirement System, and approved by the Board, from the date of the commencement of the disability to the date of retirement."

In accordance with these provisions, each year VRS requests that the plan actuary recommend the cost-of-living adjustment (COLA) to be applied to the benefit paid and to the creditable compensation of LTD recipients who have been receiving such benefits for at least one calendar year under VSDP.

In 2011, the Board amended the process for determining the COLA to be applied to the creditable compensation of LTD recipients for purposes of calculating service retirement. It is now based on the combined average increase in the pay rate for State, SPORS, and VaLORS VSDP members active at the beginning and the end of the most recent plan year before the date of determination of the COLA.

Rationale for Requested Action

Per the attached January 22, 2026, letter, the VRS plan actuary, Gabriel, Roeder, Smith & Company, observed increases in creditable compensation of 4.91% during fiscal year 2025 for members enrolled in

VSDP. Based on the recommendation from the plan actuary, and consistent with past practice, (i) the recommended increase in creditable compensation for purposes of service retirement from disability shall be 4.00%, and (ii) after offsets, the adjustment to the benefit payments of VSDP LTD recipients who have been receiving such payments for at least one calendar year is 2.63% for Plan 1 members vested as of January 1, 2013, and 2.32% for Plan 1 members not vested by January 1, 2013 and all Plan 2 and Hybrid members.

Authority for Requested Action

The Board's authority for this action is contained in *Code of Virginia* §§ 51.1-1112, 51.1-1117, and 51.1-1128.

The above action is approved.

VRS Board of Trustees

Date

**Approval of July 1, 2026, increase relating to
VLDP creditable compensation.**

Requested Action

Effective July 1, 2026, each recipient of LTD benefits under the Virginia Local Disability Program (VLDP) who has been receiving LTD benefits for at least one calendar year, and who ultimately retires directly from LTD, will have their creditable compensation at date of disability increased by an amount set by the Board to be used in determining the member's average final compensation for disability retirement. The recommendation applicable July 1, 2026, is an increase of 4.00% to be applied to a recipient's creditable compensation.

Description/Background

Code of Virginia § 51.1-1161(C) provides: "The average final compensation of any participating full-time employee taking a service retirement under any provision of this title shall be equal to his creditable compensation on the date of the commencement of the disability increased by an amount recommended by the program actuary and approved by the Board, from the date of the commencement of the disability to the date of retirement."

Code of Virginia § 51.1-1169(C) provides: "The employee's average final compensation shall be equal to his creditable compensation on the date of the commencement of the disability increased by an amount recommended by the actuary of the Virginia Retirement System, and approved by the Board, from the date of the commencement of the disability to the date of retirement."

In accordance with these provisions, VRS requested that its actuary recommend the COLA to be applied to the creditable compensation of LTD recipients who have been receiving such benefits for at least one calendar year under VLDP.

Rationale for Requested Action

Per the attached January 22, 2026, letter, the VRS plan actuary, Gabriel, Roeder, Smith & Company, observed increases in creditable compensation of 6.10% during fiscal year 2025 for VLDP members. Based on the recommendation from the plan actuary, and consistent with past practice, the recommended increase in creditable compensation for purposes of service retirement from disability shall be 4.00%.

Authority for Requested Action

The Board's authority for this action is contained in *Code of Virginia §§ 51.1-1161 and 51.1-1169*.

The above action is approved.
