Political Subdivision Employee With Enhanced Hazardous Duty Benefits	VaLORS 1.7% Multiplier*	50/25	50/25	1.7% or 1.85% depending on position/employer election	1.7%	Yes	Yes

* VaLORS-covered employees have either a 1.7% multiplier with supplement, or a 2% multiplier with no supplement.

- You have a VaLORS 1.7% multiplier if you were in service in a VaLORS-covered position on June 30 and July 1, 2001, did not elect the 2% multiplier and have not incurred a one calendar month or more break in service during your VaLORS-covered employment.
- You have a VaLORS 2% multiplier without supplement if you were in service in a VaLORS-covered position on June 30 and July 1, 2001, and elected the 2% multiplier or incurred a break in service of at least one calendar month before being rehired into a VaLORS-covered position. You also are covered under the 2% multiplier if you were hired or moved to a VaLORS-covered position on or after July 1, 2001.

NOTE: If you leave your hazardous duty position, take a refund and then return to a non-hazardous duty position in the future, you will be covered under the Hybrid Retirement Plan.
