INSTRUCTIONS FOR COMPLETING THE APPLICATION FOR SERVICE RETIREMENT

Please read the service retirement information in your *Handbook for Members* before completing your application. You may obtain this handbook from your benefits administrator or view it on the VRS website (www.varetire.org). Use myVRS on the VRS website to estimate your VRS benefits before applying for retirement.

Submit your application to the Virginia Retirement System (VRS) at least 60 days, but not more than four months, prior to your effective date of retirement. This ensures you will receive your first benefit payment the first of the month following your retirement date.

When submitting your application:

- If you intend to purchase service credit with your sick leave payment or convert disability credit to service credit, request your benefits administrator complete the necessary online certification. These options are irrevocable and cannot be reversed.
- If you are on VSDP long-term disability, send the application directly to VRS for certification.

If all required documents are not received by VRS within 60 days of your anticipated retirement date, processing of your application will be delayed. This will affect when your first benefit payment is made. VRS will process your application within 60 days of the date all documents are received.

Considerations:

You must terminate all full-time and part-time positions that are covered by VRS to receive a monthly retirement benefit. This includes positions which provide retirement benefits in any VRS administered Optional Retirement Plan or a public college or university Optional Retirement Plan authorized by the *Code of Virginia*. At the time of retirement, you must also terminate work in any part-time positions not covered under VRS for the employer from which you are retiring.

If you return to work in a full-time or part-time position covered by VRS for retirement purposes, a VRS-administered Optional Retirement Plan or a public college or university Optional Retirement Plan authorized by the *Code of Virginia*, your monthly retirement benefit must cease.

If you plan to return to work in a part-time position with any employer participating in VRS, your employer must comply with Internal Revenue Service (IRS) rules about in-service distributions. For your employer to be in compliance, you must:

- Terminate all full-time and part-time employment with your current employer before you receive your benefit payment.
- Incur a break in service of at least one full calendar month before returning to part-time employment in a position not covered by VRS with your current employer. This break must occur during a normal work period.

Note: State agencies are considered one employer. Retired state employees may return to work in part-time positions with other state agencies after a full calendar month break in service during a normal work period.

Part A. Your Information

- Box 1-11: Enter your personal information. In Box 2, indicate your retirement date.
- Box 12: If you check yes, the purchase must be completed while actively employed and no later than your date of termination. Your benefit cannot be calculated until payment for the purchase is submitted to VRS.
- Box 13: If you check yes, be sure your employer has completed the on-line certification for your accumulated sick leave using myVRS Navigator.
- Box 14: If you check yes, be sure your employer has completed the on-line certification for your conversion of disability credits using myVRS Navigator.
- Box 15: You must terminate all full-time and part-time positions that are covered by VRS, including positions covered by an optional retirement plan, to receive a monthly retirement benefit. At the time of retirement, you must also terminate work in any part-time positions not covered under VRS for the employer from which you are retiring. Choose yes or no as appropriate.

Part B. Your Payout Option Selection

- Box 17: Choose only one payout option. Refer to your *Handbook for Members* to determine which option will meet your retirement goal. If you are considering the PLOP, refer to the IRS 402(f) Special Tax Notice on the VRS website to learn more about the tax implications of a lump-sum payment.
- If you select the Advance Pension Option, enter the age at which you want your temporarily increased VRS benefit to be reduced. You must choose an age of at least 62 years, but no later than your normal retirement age as defined by the Social Security Act. **Note:** You must include an estimate from the online Social Security Administration benefit estimator following the instructions on the VRS website at www.varetire.org/apo. This estimate must be less than 12 months old, for the age at which you choose for your VRS benefit to decrease and it should assume no future earnings after leaving your covered position. Additional information about this option will be sent when your application is processed.
- Box 18: If your payout option includes a PLOP payment, indicate number of months on which the amount is to be based. For a 12-month payment, you must work at least one year beyond the date you are first eligible for an unreduced retirement benefit; for a 24-month payment, at least two years; and for a 36-month payment, at least three years. Also indicate whether you intend to roll the PLOP funds into an IRA or other qualified plan.

Part C. Your Survivor's Information (Only if you chose a payout option including a survivor)

Enter your survivor's information as identified on the form.

Part D. Your Certification

Carefully read the certification statement. Sign and date the application. Your signature certifies that you will repay benefits in excess of those to which you are entitled. It also certifies that you understand that you cannot return to work in a part-time position working for the employer from which you retired without first incurring the required break in service.

If you are unable to complete the application and you select a payout option other than the Basic Benefit, an individual authorized to make testamentary changes on your behalf may complete your application. Authorized individuals include: a court-appointed Guardian or Committee; an Attorney-in-Fact named in a Durable Power of Attorney; or an individual specifically authorized by a court order to do so. A copy of the document providing such authorization must be presented to VRS for review before the application can be processed. If the application is not signed and dated, it is not valid and a new one must be completed. This may delay your first payment.

If you checked Married or Separated in Part A, your spouse must complete the Spouse Certification section, signing and dating the application on or after the date you sign; otherwise, a new application must be completed. If you are unable to obtain your spouse's signature, contact VRS for additional information.

Part E. Your Direct Deposit of PLOP Payment (Only if you chose a payout including a PLOP payment)

Of the total PLOP payment, you must select the percentage of any non-taxable and taxable funds to be paid to you or rolled directly into another qualified plan. If you select to rollover any/all of your PLOP payment, complete all information about the financial institution and your account.

Note: Your PLOP payment may be: 1) paid directly to you by direct deposit into the account where your monthly benefit will be deposited or 2) paid in a rollover to a traditional individual retirement account (IRA) or another eligible plan that accepts rollovers. A rollover into another eligible plan or IRA allows you to continue to postpone taxation of the funds until they are paid to you. To learn more about the tax implications of your selection, read the IRS 402(f) – Special Tax Notice on the VRS website at www.varetire.org/forms.

Part F. Your Direct Deposit Selections

Provide all information about the financial institution to which your monthly benefit will be paid.

Part G. Your Tax Withholding Selections

Select how to have both federal and state income taxes withheld from your monthly benefit. If you select to withhold taxes for federal or state, also indicate marital status and select the number of exemptions for any taxes you choose to withhold. You also may enter an additional amount to be withheld each month in addition to the calculated taxes.

IMPORTANT NOTE: VRS will notify your employer when your application is received. Your employer will certify your separation from employment online.
