## INSTRUCTIONS FOR COMPLETING THE AUTHORIZATION TO DEDUCT INSURANCE PREMIUMS AND HEALTH INSURANCE CREDIT APPLICATION

This form is used when employers have a contractual agreement with the Virginia Retirement System (VRS) to have pre-established health insurance premiums deducted from retiree benefits.

Employers complete this form to authorize the deduction of insurance premiums from VRS benefit payments and to provide retiree health insurance information.

For additional insurance plans for which VRS does not deduct premiums, the retiree will notify VRS of changes to the health insurance coverage information by completing the Request for Health Insurance Credit (VRS-45), which is available on the VRS Website ([www.varetire.org](http://www.varetire.org)).

To complete the form, enter the following information:

Box 1-2: Enter the five-digit agency code and agency name.

Boxes 3-5: Enter the retiree's personal information.

Box 6: If the retiree is covered by Medicare, choose Yes and include the effective date of his or her Medicare Part B coverage and the premium amount paid each month.

Box 7: Complete this box if the retiree has health, dental, vision, or prescription drug insurance coverage other than the health insurance plan for which VRS will take deductions. If the policy covers other family members, enter the portion of the premium that covers the retiree only.

If the retiree's portion of the premium cannot be determined, VRS will determine the reimbursable health insurance credit amount.

**Note:** Examples of policies *not* eligible for reimbursement include, but are not limited to, long-term disability, home health care, long-term care, dread disease (such as cancer), hospital or other indemnity policies, limited benefit plans, network discount programs, or policies that restrict payment of benefits to the treatment of specific illnesses.

Box 8-11: Complete the monthly deductions, the abbreviated carrier, plan, and option code from the pre-established rate sheet furnished by VRS.

Box 12: Enter the effective date the retiree selects for the premium deduction to take effect.

Box 13: Have the retiree sign and date the form to ensure agreement with the health insurance deduction. Then sign the form certifying the retiree's information and plan selection.
